

SPECIAL EDUCATION PROGRAMS

**MEMORANDUM**

**TO:** Special Education Directors

**RE:** Exit Survey for State Performance Plan Indicator 14

**DATE:** April 30, 2007

During the school year 2005/2006, your district provided data on all students that exited the district including: dropouts, age out of special education, or graduated with a regular diploma. Black Hills State University will be contacting the students who were entered into the online system starting in April through September 2007.

The 2006/2007 exit website information has been updated. Please access the secured website found here:

<https://www.state.sd.us/applications/DP42LaunchPad/Logon.aspx> and complete Appendix A for all special education students that have dropped out, aged out of special education, or graduated with a regular diploma during the 2006/2007 school year. **Site will close on June 30, 2007.** If your district personnel would like a copy of the questions for appendix A or require the program manual, please see the following website: <http://doe.sd.gov/oess/specialed/SPP/index.asp>.

The system had you change your password on the first login last year. If you did this a year ago and can not remember your new password or are new to the district, please contact [Dino.Brooks@state.sd.us](mailto:Dino.Brooks@state.sd.us) or [Debbie.Lancaster@state.sd.us](mailto:Debbie.Lancaster@state.sd.us). Remember: the password is case sensitive.

Please feel free to contact me at [Melissa.flor@state.sd.us](mailto:Melissa.flor@state.sd.us) or (605) 773-8195 with questions regarding appendix A of the exit survey. Thank you for your assistance with this matter. It will be exciting to follow South Dakota's youth as they leave public school and enter adult roles!
